

Buy a Brick ~ Build a Memorial!!

The Consistory decided to begin two capital improvements at SBRC! The first is replacing the current boilers at the church and the parsonage with higher efficiency boilers to provide better heat as well as reducing utility costs. The second is replacing the sidewalk in front of the church as well as replacing the outside stairs that lead to the dining room. This will certainly beautify the grounds of the church as well as fix issues raised by our insurance company.

The Consistory decided to make bricks available to members and friends of the Congregation. Bricks may be purchased and can be engraved for only \$125.00 per brick! Each engraved brick will line the sidewalk and serve as a lasting memorial for those whom they were purchased for. Each brick purchased can have two lines with fifteen characters in each line. Please complete the form below and return to the Church Office and be sure to write "Buy A Brick" in the memo section of your check. Help us build a beautiful and lasting memorial at SBRC!!

Each engraved brick will be filled with an epoxy to protect the engraving from the weather and the salt used in the winter months. Here is an example of what the filled engraving looks like:
